All of you need to leave Reice alone he has been told to leave you alone and you need to do the same I know more about what Reice does that you think I do and for your information it better stay here Reice hasn't done anything for Alice to press charge but Stephens has threaten Reice and I can take face book to the county attorney and press charges

Makia Duncan
You need to stay off my facebook for one dont message me od try starting stuff with me. Reice does more then you think he is so where near as good as you think, so dont message me. And another you realize that your innocent son, grandson whenever he is anyone has said more than od on facebook the Stephens has od it started before Stephens said anything right? Yeah didnt think so. Dont bother me anyone if Reice is such a big boy he needs to say things to me himself.

he has an appointment friday morning beside facebook is a public domain if you dont want people to know what you are saying dont say it... maybe your own stress? have paid more attention what you were doing

Makia Duncan
Really? Your a fuckin old woman trying to say crap to a 17 yr old girl. And seriously the best you can say is maybe my mom should have paid attention? Mind your own damn business becuz my personal life is NONE of your business so butt the fuck out. How piz leave me the hell alone you miserable hag.

Did it strike a nerve I may be old but you are right you are a 17 yr old girl play at being an adult.

Makia Duncan
Its sure didnt. And im 17 acting older and more mature then you are. But do not message me anyone. Im tired of the harassment. Dis way passed old. Goodbye.

Debbie Robinson
Well when you have your baby you'll understand how a real mother will defend her child right or wrong ok and one more thing you started this YOUR LITTLE BITCH I see girls like you before your mother taught you well what you going to do when stephen charges your ass for someone else Do you kids even know what the word commitment means go play your little games and leave me and Reice alone

Leave Raice alone He has been told to stay away from you and you need to stay away from him I know more about what he does than you all think LEAVE HIM ALONE

Stephen Lee Scott

I ain't talked to that kid since last night. So don't be messaging me and startin stuff. And sure you do I kno a lot more than you. Pss last him and look at his pics on his phone.

Debbie Robinson

Steve if know more that you think I do LEAVE HIM ALONE you have used him and bullied him the last time he has an appointment Friday he was just tested two weeks ago Take care of your own life and LEAVE HIM ALONE Bullying and threats are grounds for criminal charges

Stephen Lee Scott

Don't message me anymore im 17 and your 50 leave me alone Don't message me anymore im 17 and your 50 leave me alone
